Thomas Jefferson Golf
Summer Short-game practice

Objective: Sharpen the short-game. Provide rewards for TJ golfers that consistently practice the short-game for 30 minutes at least 3 days per week throughout the summer.

Rewards: Return this sheet (more are available on the TJ golf website), we will have prizes for golfers that show consistency and improvement. Part of the improvement will be judged based upon testing at the first practices. Prize ideas: TJ golf hats, golf balls, practice aids.

Basic Drills: these are basic drills introduced at practice that you should work on. You can also design your own.

1. 5 foot putts – place 4 balls around the hole (uphill, downhill, side-hill) at a distance of 5 feet; record the number of makes out of 100 attempts. Vary the practice hole used.
2. Lag putts – use 1 ball. Choose a hole, putt until you hole out. Par for each hole is 2. Record your total in relation to par for 18 holes. Vary the difficulty of the holes you create.
3. Up and in – choose 1 chipping club and a putter. Chip from various lies and positions to a hole, putt until holing out. Par for each hole is 2. Record your total in relation to par for 18 holes. Vary the difficulty of the holes you create.
4. Other drills you create, record your results and track your improvement!
